*Framing Comments:

Framed “Exhibition Print” refers to my framed work at my previous solo show at Anchor House of Artists in March 2022. Prices for high quality framing materials, complete with archival mats and acid free backing boards, are offered at cost or below (in the case of the digital work the framing prices are way below) , and were provided by WebPictureFrames.com. Assembly of all the components with picture wire was completed by me without extra charges.
